SHIPPING CHECKLIST:

- Place radon sampler in this shipper.
- Tightly seal the shipper using the ziplock. You may use tape for additional security.
 - You may place this shipper in another box, package, or envelope if you wish.
 - If sending multiple radon samplers, seal each individually in its own shipper before placing in a box. We recommend mailing all samplers in one box or package to ensure they reach us at the same time.
- Attach shipping label to this side of the shipper. Visit aelabs.com/ship for shipping tips and recommendations.
- Ship as soon as possible to: 2501 MAYES ROAD STE 100 CARROLLTON TX 75006
 - Tests are time sensitive. Delays in shipping may invalidate test.
